## From the mind of Managemenet >>>

Dear Tree Huggers:

Don't hate me, but I think we need to try to get rid of the Eucalyptus in our parking lot. We will do so with the blessing of the City or wait until we have a fatality or serious injuries. That tree has grown with me for the last 45 years, and to be fair it did have a head start. With the high winds of Global Warming it is just a matter of time before one of us gets blown over.

The forum is open:  
Any suggestions?  
Love  
Tony

## Our Official GoFundMe Goal: A New Parking Lot!

Donate now

# Parking Lot Fundraiser

Dearest Alano Family,

Spring has sprung!

Can you feel the excitement of this season of rebirth? The earth rejoices in the increasing warmth by bringing forth blossoms, new leaves and wildflowers everywhere. The human spirit also brushes off the winter and begins to dream of outside activity.

Well, we have been thinking a lot about our parking lot, or the holes that comprise it. We really need a whole new lot. How much does that cost, you ask? Gulp, \$90K.

So with the renewed spirit and vigor that comes with Spring, we are asking for financial help. This large a job needs to start with a prayer covering. So however or to whomever you pray to, please ask for our parking lot. And then please pass on the need to 5 friends, coworkers, etc. Do you know a church or organization that might help? Please send them our newsletter, GoFundMe link or invite them to join you for breakfast at the Club. And of course, donate if you can.

We sincerely thank each of you for all you've done for our Club and look forward to seeing you at a coming event or meeting!

## Some thoughts on Spring:

*"Spring work is going on with joyful enthusiasm." John Muir*

*"April hath put a spirit of youth in everything." Shakespeare*

*"Spring is nature's way of saying 'Let's Party!' " Robin Williams*
