From the Mind of Management >>>

Our PG&E was \$2,980, for the month. So, we continue to look into the possibility of Solar. Perhaps a windmill or a very large inheritance?

I'm speaking to the choir here, but I can't thank the membership/owners of our Club enough for making it possible to carry the message in a significant way and sell a few cheeseburgers along the way.

Love
Tony

The Club Heartbeat

We had another successful year with our Superbowl Watch Party. With Tri-Tip and Fellowship, what is not to love? Tickets were sold out and the kitchen was buzzing! So busy, I barely had a chance to snap some pictures. Thank you to all who watched the game with us and a big Congratulations to the Seattle Seahawks!
